Nature guide specialised in the area around Roskilde

Hi Marianne,

Thank you very much for your time and for a good conversation.

As agreed, I am sending a short email about me and my qualifications.

As a biologist and specialist in the breeding opportunities of the white-tailed sea eagle in the area around Roskilde Fjord, I imagine being able to contribute the following skills to Skjoldungernes Land National Park:

- Field work and observations
- Thorough knowledge of the local area - including flora and fauna
- Mediation experience for in- and out-of-school students
- Knowledge of applicable legislation in Denmark's national parks

In addition to my education, I draw on experience as a tour guide in the Botanical Gardens as well as many years as a scout and later scout leader in the YMCA in Bidstrup Skovene.

I have attached my CV so you can read more about me.

I will contact you within a few days to hear more about the possibilities for a collaboration.

With best regards,
Frederick
